Minutes of the Customs Clearance Facilitation Committee (CCFC) meeting held on 10.09.2025

Meeting of the Customs Clearance Facilitation Committee (CCFC) chaired by Smt. Prachi Saroop, Pr. Chief Commissioner of Customs, Mumbai Zone-III was held on 10.09.2025 at 3:00 P.M. in the Conference room, Air Cargo Complex, Sahar, Mumbai.

2. Following representatives of the Partner Government Agencies (PGAs) and that of the other stakeholders were present in the meeting:

Sl. No.	Name of the representative (Shri/Smt./Ms.)	Name of the Organisation
01.	Naresh Kumar	MIAL
02.	Bhagudia Vijay N	MIAL
03.	Kalyan Nawpute	BCBA
04.	Paresh Sangani	BCBA
05.	Kaushal Thakkar	BCBA
06.	Ketan Desai	BCBA
07.	Sanjeev Harale	BCBA
08.	Preetha Shalu	GJEPC
09.	Mithilesh Pandey	GJEPC
10.	Farokh Hansotia	The Air Cargo Agent Association of India
11.	Hiren Joshi	Air India Airport Service Ltd.
12.	Kamlesh Sawant	Air India Airport Service Ltd.
13.	Harish Zade	Lufthansa Cargo Air
14.	Sanjay Patankar	Emirates Airways
15.	Sudhir Manipur	Airglow Aviation Services

The Customs Department was represented by following officers:

Sl. No.	Name (Shri/Smt/Ms.)	Designation	Commissionerate
01.	Manish Chandra	Pr. Commissioner	Import

02.	Hardeep Batra	Commissioner	Export
03.	Nilank Kumar	Commissioner	General
04.	Santosh Kumar Mishra	Commissioner	APSC
05.	Manvatkar Vijay Janrao	Addl. Commissioner	Export
06.	Neelesh Rautkar	Addl. Commissioner	General
07.	Tagadi Manjunath	Addl. Commissioner	Import
08.	Roopesh Sukumaran	Addl. Commissioner	CCO
09.	N Pandiyaraj	Joint Commissioner	Export
10.	Jadhav Priya Ratnakar	Joint Commissioner	General
11.	Prakash Chaudhary	Joint Commissioner	Import
12.	Rohitkumar Bhaisare	Joint Commissioner	CCO
13.	G.L. Narasimham	Deputy Commissioner	Import
14.	I. Ramalingeswara Rao	Asst. Commissioner	Import
15.	Kiran Vasant Vaidya	Asst. Commissioner	Import
16.	Jolly Koshy	Asst. Commissioner	Import
17.	Jaisingh Rathore	Asst. Commissioner	Export
18.	Rahul Shakywar	Superintendent	CCO
19.	Narendra Kannaujia	Superintendent	Import
20.	Manisha S. Jadhav	Superintendent	Export
21.	Ritesh Kumar	PO	CCO
22.	Vishal Kumar	PO	Export
23.	Saurav Kumar	EO	Import

3. The Additional Commissioner of Customs, Chief Commissioner's Office, Mumbai Zone-III welcomed the participants.

4. During the course of Power Point Presentation, the following agenda points for the CCFC meeting were discussed.

5.1 **Old Agenda Point-1: Delay in NOC from Plant Quarantine.**

BCBA submitted that for obtaining NOC from Plant Quarantine, trade

faces considerable difficulty, because online process is not working due to the upgradation of their software for a long time.

BCBA submitted that the issue has been resolved and system is working well.

(Point Closed)

5.2 **Old Agenda Point-2: B/E being kept aside on low priority.**

BCBA submitted that provision to keep aside the B/E should be withdrawn on urgent basis, as it is totally non-transparent against the basic principle of transparency and predictability.

Since the matter pertained to other ports, BCBA was requested to submit a detailed representation during the last meeting for Zone-III.

BCBA submitted that no such issue is being faced in Zone-III.

(Point Closed)

5.3 **Old Agenda Point-3: Requirement of a Pvt. Bonded Warehouse near ACC.**

BCBA submitted that imported consignments which are meant for third country export have to be stored at warehouses located at Navi Mumbai which increases logistics cost and time. BCBA requested MIAL/ADANI for provision of a private bonded warehouse facility in the vicinity of Air Cargo Complex.

MIAL submitted that provision of private bond warehouse facility in the vicinity of Air Cargo Complex is not feasible and the same has been conveyed to BCBA during the joint meeting convened with members of BCBA.

(Point closed)

5.4 **Old Agenda Point-4: Irregular availability of Wildlife Crime Control Bureau (WCCB) and Animal Quarantine (AQ) staff at ACC.**

BCBA has requested continuous presence of Wildlife Crime Control Bureau (WCCB) and Animal Quarantine (AQ) staff at ACC, Mumbai for timely issuance of NOCs.

Commissioner (Import) and Commissioner (Export) submitted that the matter has been taken up with WCCB and WCCB has informed that there is shortage of staff. BCBA was requested to submit the data with respect to number and volume of such consignments which are affected because of non-availability of WCCB staff at Air Cargo Complex. The details are awaited. It was thus decided that the matter will then be taken up further after submission of data.

(Point closed)

6.1 **New Agenda Point-1: Provisional Assessment without Importer's Consent:**

BCBA submitted that instances are being reported where the FAG officer is assessing the B/E on a provisional basis without the consent of the importer.

For example, B/E No. 4021559 dated 21.08.2025, Group 5C. In such cases, delay occurs as the CB has to approach the PAG section, after which the TA prepares the file, obtains approval from the PAG officer, and then resends the B/E to FAG. We request that such Bills of Entry be allowed to be recalled and reassessed directly at PAG to avoid delay.

Import Commissionerate submitted that provisional assessment at FAG groups of Mumbai Customs Zone-III is done as per the guidelines provided in CBIC Instruction No. 09/2020-Customs dated 05.06.2020. Further, the subject matter does not pertain to INBOM4.

(Point closed)

6.2 **New Agenda Point-2: Erratic Functioning of MAIL ADANI Systems:**

BCBA submitted that members are facing frequent operational issues with MAIL ADANI System, particularly during morning hours. It is requested that MIAL set up a dedicated helpdesk with a contact number so that trade members can promptly report issues and obtain resolution.

MIAL informed that the helpdesk, along with contact numbers and email id is already available. BCBA agreed that helpdesk is functional.

(Point closed)

6.3 **New Agenda Point-3: Delay in Credit of Payments to Air India:**

BCBA submitted payments made by CBs to Air India after 5:00 p.m. through online banking are credited to the PD account only on the following day. This leads to delay and additional demurrage costs. We request Air India to implement a virtual payment facility, similar to the system adopted by MIAL/ADANI, enabling 24x7 payment processing without manual intervention.

Air India representative submitted that they are working on it and the matter will be resolved by end of Sept, 2025.

(Action by: Air India)

6.4 **New Agenda Point-4: Issue of Entry Passes from MIAL/ADANI Security Office:**

BCBA submitted trade is facing difficulties in obtaining entry passes from

MIAL/ADANI Security Office. The system at the Security Office has been non-functional for the last six months. Due to this, only temporary entry passes with a validity of 30 days are being issued. This forces every pass holder to reapply multiple times, causing operational inconvenience and loss of time.

It is requested that MIAL urgently resolve the system issue and allow issuance of entry passes with 90 days validity to reduce hardship for stakeholders.

MIAL submitted that the system has started working properly from 18th Aug, 2025. BCBA also submitted that the matter is resolved.

(Point closed)

6.5 **New Agenda Point-5: Frequent Breakdown of CARR Messaging System:**

BCBA submitted frequent disruptions of the CARR (Cargo Arrival Report) Messaging System are causing delays in export clearances. MIAL may kindly take proactive measures to prevent such breakdowns.

BCBA submitted that the issue is resolved and CAAR messaging system is working properly.

(Point closed)

6.6 **New Agenda Point-6: BE Pushback from FAG to PAG Without Intimation:**

BCBA submitted that in several cases, FAG is pushing Bills of Entry back to PAG without informing the CB, resulting in delays of 6-7 days. A proper intimation mechanism is urgently needed, either via email or by FAG raising a query, to alert CBs immediately when a B/E is returned to PAG.

The matter does not pertain to INBOM4.

(Point closed)

6.7 **New Agenda Point-7: Airlines are facing certain operational challenges due to occurrences of short landing and excess landing of cargo.**

ACAAI submitted that due to these discrepancies, penalties for amendment are being imposed on airlines as per the existing regulations. Amendment of related documents and the penalty payment from airline to customs in such cases takes minimum 2-3 working days to complete through the prescribed process.

During this period, the cargo remains under customs custody, and demurrage charges continue to accumulate. Unfortunately, these charges are often shifted to freight forwarders or importers until the amendment is finalized, which causes delays in cargo delivery and significant financial

burden on the trade community.

MIAL, ACAAI and Airlines were requested to hold a Joint Meeting to discuss these issues and probable solutions. The outcome of the said meeting may be intimated to the Office of Pr. Chief Commissioner, Mumbai Customs Zone-III.

(Action by: MIAL, ACAAI & Airlines)

6.8 **New Agenda Point-8: Difficulty in clearance of goods under export scheme against supply by foreign buyer:**

GJEPC submitted that due to spike in gold prices, many exporters are shifting from gold to platinum jewellery exports. Since nominated agencies and banks are not authorized to import platinum, exporters import platinum under notification 56/2000. The importers are giving 150% BG of duty forgone and 100% Bond of Invoice value at clearance port for individual shipment. Earlier the import duty charged was 6.4%, however, now BG with import duty as 11% is asked for. GJEPC requested to make the necessary change in the system and allow importers to import platinum at 6.4 % import duty.

APSC Commissionerate submitted that simultaneous benefit of two notifications i.e. 56/2000 and 50/2017 cannot be taken. The duty and bank guarantee is calculated by the ICES based on the notification availed.

(Point closed)

6.9 **New Agenda Point-9: Delay in Parcel Clearance- Panel Valuation Referrals:**

GJEPC submitted that import/export parcels referred to and from Dubai and Hong Kong are referred to panel mandatorily. Due to non-availability of expert valuers, goods are delayed for clearance for more than 3-4 days. GJEPC requested that a mechanism may be introduced to avoid repetitive delay. Import of rough parcels directly from mining companies should not be subject to panel valuation. Expert valuers should be appointed as per nomination submitted.

GJEPC was requested to submit a detailed representation with examples. The point is closed till the submission of representation by GJEPC.

(Point closed)

6.10 **New Agenda Point-10: GJEPC requested for extension of benefits under AEO T2 status holder:**

1. Priority Clearance of Parcels.
2. Appointment of special officers to facilitate smooth processing of AEO T2 consignments.
3. Only 10% of parcels to be randomly selected for appraisal.
4. AEO T2 status holders should have a specific identifier in the EDI system, enabling customs officers to process their shipments accordingly.

APSC Commissionerate submitted that the implementation of RMS at

PCCCC is beyond the purview of Mumbai Customs Zone-III. However matter will be brought to the notice of the Board.

(Point closed)

6.11 **New Agenda Point-11: Amendment in Shipping Bill:**

GJEPC submitted that amendments in shipping bills, such as for errors in mentioning gold procured from nominated agencies or inadvertent duplication of images uploaded on e-Sanchit takes continuous follow up and is time consuming. GJEPC requested for a defined timeline for completing amendments in shipping bills.

APSC Commissionerate submitted that amendments are being done as per Section 149 of the Customs Act, 1962 in timely manner. GJEPC was requested to bring specific cases to notice of the Commissioner (APSC) and Pr. Chief Commissioner, Mumbai Customs Zone-III.

(Point closed)

6.12 **New Agenda Point-12: Export of Certified & Sealed Diamonds without opening of Seal:**

GJEPC submitted that reputed gemological laboratories provide certification along with Sealing Services, whereby diamonds are securely sealed in tamper-proof packets which carry all relevant details. However, during examinations, officers insist on opening the sealed packets, which creates challenges. GJEPC requested to consider sealed packets with all details of the bar code for outright exports.

APSC Commissionerate submitted that currently examination of goods is carried out as per Public Notice No. 14/2017 of PCCCC dated 27.12.2017. GJEPC was requested to send a proposal so that the matter can taken up with board.

(Point closed)

6.13 **New Agenda Point-13: Mandatory additional qualifiers in import/export declarations in respect of Synthetic or Reconstructed Diamonds:**

GJEPC submitted that Circular No. 03/2025-Customs dated 29.01.2025 provides relief for loose small-sized lab grown diamonds weighing less than one carat. But exporters continue to face difficulty in exporting jewellery studded with lab grown diamonds because the system still insists on capturing detailed qualifiers for each stone. GJEPC has requested for relaxation under Circular 03/2025-Customs to be extended to jewellery studded with lab grown diamonds.

APSC Commissionerate submitted that relaxation under the said circular does not extend to LGDs (Lab Grown Diamonds) weighing less than one carat studded in jewellery as their valuation and classification remain dependent on detailed parameters such as the number of stones, their individual and total weight, grading characteristics and the production method CVD (Chemical Vapor Deposition) or HPHT (High Pressure High

Temperature). GJEPC was requested to submit detailed proposal to Commissioner (APSC) and Pr. Chief Commissioner, Mumbai Customs Zone-III for examination.

(Point closed)

7. The next CCFC meeting is scheduled to be held on 10.11.2025.

8. This issues with the approval of Pr. Chief Commissioner, Mumbai Customs Zone-III**.**
