Minutes of the Permanent Trade Facilitation Committee meeting held on 29-09-2025

The meeting of Permanent Trade Facilitation Committee (PTFC), for the month of September 2025, was held in the Conference Hall of ACC at 03:00 PM on 29.09.2025 and was chaired by Shri Manish Chandra, Principal Commissioner of Customs (Import), Co-chaired by Shri Hardeep Batra, Commissioner of Customs (Export) and Shri Nilank Kumar, Commissioner of Customs (General). The following officers and representatives participated in the meeting:

Sl.No.	Name & Designation	Organization
1	Shri Tagadi Manjunath, Addl. Commissioner of Customs (Import)	Customs, ACC, Mumbai
2	Shri Prakash Chaudhary, Joint Commissioner of Customs (Import)	Customs, ACC, Mumbai
3	Shri N. Pandiyaraj, Joint Commissioner of Customs (Export)	Customs, ACC, Mumbai
4	Smt. Daribha Lyndem, Joint Commissioner of Customs (Export)	Customs, ACC, Mumbai
5	Shri Rajesh Ramlal Solanki, Assistant Commissioner of Customs (SIIB(I))	Customs, ACC, Mumbai
6	Shri M. Sree Harsha, Assistant Commissioner of Customs (Import Shed)	Customs, ACC, Mumbai
7	Shri K. Poddar, Assistant Commissioner of Customs (Import Shed)	Customs, ACC, Mumbai
8	Shri I Ramalingeswara Rao, Assistant Commissioner of Customs (Group VA)	Customs, ACC, Mumbai
9	Shri Jai Singh Rathore, Assistant Commissioner of Customs (Export E&T)	Customs, ACC, Mumbai
10	Shri. Kiran Vaidya, Assistant Commissioner of Customs (TSK and Group)	Customs, ACC, Mumbai
11	Shri Narendra Kannaujia, Superintendant of Customs (Technical Cell)	Customs, ACC, Mumbai
12	Smt. Manisha S. Jadhav, Superintendent of Customs (Export E&T)	Customs, ACC, Mumbai
13	Shri Shashank Shekhar, Examiner (Technical Cell)	Customs, ACC, Mumbai
14	Shri Rahul Kumar, Examiner (Technical Cell)	Customs, ACC, Mumbai
Sl. No.	**Name of attendees of Stakeholders**	**Organization**
1	Shri Hiren Joshi, Deputy Task Manager	AIASL
2	Shri V. P. Salunke, Executive Operations	AIASL
3	Shri Paresh Sangavi, Chairman PGA	BCBA

4	Shri Ketan Desai, Secretary	BCBA
5	Shri Amit Kadam, Associate Manager	MIAL
6	Shri Ketan Rathod, CS Manager	British Airways
7	Shri Subodh Thakur, Manager	MIAL
8	Shri. Jayachandra.A, General Manager Operations	CSC
9	Lynn Boothello, Operations Manager	British Airways
10	Shri Balram Meena, Deputy Director	PQ
11	Shri Newton Fernandes, Operations Manager	ANA
12	Shri Mahesh Boculay, Sr. Manager, Import	Sequel One
13	Shri Atish Hirve, Deputy Manager	Sequel One
14	Smt. Jitha KK, Joint Director	FSSAI
15	Shri Deepak D. Nikam, Assistant Manager	MIAL
16	Shri Naresh Kumar, Deputy Manager	MIAL
17	Shri Farokh Hansotia, Treasurer	ACAAI
18	Shri Rajen S Bhatia, Chairman	ACAAI
19	Shri Vivek Soman, Sr. Manager	Jabil Circuit (Importer)
20	Shri Kalyan Nawpute, MCM	BCBA
21	Mrs. Chaitaly Mehta, MCM	BCBA
22	Shri Dushyant Mulani, IMM Past Chairman	FFFAI, Advisor to BCBA
23	Dr. Vignesh V., QI	AQCS
24	Shri Umakant Patil, Drugs Inspector	CDSCO
25	Shri Pravin P. Bagde, Cargo OPS	Turkish Airlines
26	Shri P. G. Khadke, Stamp Inspector	ACS Stamp Duty
27	Shri Gaurav Sabnis, Associate Manager	MIAL

Representative of Wildlife Crime Control Bureau (WCCB) and DGFT did not attend the PTFC Meeting.

The Principal Commissioner of Customs (Import) welcomed all the attendees. The following agenda points were taken up for discussions and decisions:-

OPEN POINTS FROM LAST PTFC MEETING HELD ON 26.08.2025

1. Damage to import consignment during monsoon at Air India Warehouse:

This point was raised by BCBA that despite prior instructions and reminders in earlier PTFC meetings regarding precautionary measures to be taken during the monsoon season, several import consignments were found wet and damaged at the Air India warehouse. Such incidents are causing substantial losses to importers post-clearance. The Custodian is requested to take the matter seriously and ensure that import packages are stored and delivered in a safe and secure condition.

Discussion and Decision:

The representative from AIASL Shri Hiren Joshi informed that rooftop repairs have already commenced and work will be completed on priority. He further informed that after the last PTFC Meeting, they have put in a mechanism to temporarily address this issue as a result of which no incident of damage to the consignments have occurred. The representative of BCBA Sh. Dushyant Mulani acknowledged that there has been no complaint of damage to any consignment received from any trade member.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)
Action : AISL

FRESH AGENDA POINTS RECEIVED FROM TRADE/STAKEHOLDERS

1) Delay in e-Office Communication:

The BCBA has highlighted that delays are occurring in e-Office communications when the concerned officer is either transferred or on leave. In such instances, files remain pending until the officer returns or is replaced. Additionally, when an officer is transferred, their e-Office files often continue to remain with them, with no existing mechanism for the trade to initiate immediate transfer of the work to the designated link officer. To address this issue and prevent further delays, it is requested that a system-driven solution be implemented to enable automatic reassignment of files to the designated link officer in such cases.

Discussion and Decision:

ADC(I), Shri Tagadi Manjunath, informed that EMD (Employee Master Details) Manager has been appointed in every Commissionerate who transfers files/receipts of the outgoing officers to the incoming officers at the time of departmental transfers. Similarly, in case of leave, the charge is delegated to the link officers, immediately, on the request of the concerned section/officer. In case of urgency, where the charge of any officer could not be delegated, the officer in charge has the power to pull back the files/receipts lying with the officer on leave in order to facilitate work.

The representative of the BCBA Shri Dushyant Mulani acknowledged the explanation given above. The BCBA has requested the strengthening of the eOffice system to ensure prompt and efficient resolution of tasks. Principal Commissioner of Customs acknowledged that occasionally, due to System issues, functioning of e-Office gets disrupted. In such a situation, it is not possible for the officers to resolve issues at their end, eOffice being an All-India multi-Departmental platform. However, steps are being taken to resolve the System issues faced at DG Systems.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)
Action : All Commissionerates

2) Duty integration and OOC:

The BCBA has pointed out that even after the payment of Customs duty and successful registration of goods, certain officers continue to raise queries when the Bill of Entry (B/E) is presented to the Shed Superintendent or Appraising Officer. For example, remarks such as "Payment not debited in ECL at ICEGATE" are still being made, leading to avoidable delays and increased dwell time (e.g., B/E No. 4532906 dated 16.09.2025).

As outlined in ICES Advisory 09/2020 under the Turant Customs initiative, it is the responsibility of the designated proper officer to verify all CCV-related requirements under the Customs Act, applicable rules, and instructions, and thereafter issue the Out of Charge (OOC).

In light of this, it has been requested that officers be appropriately sensitized to adhere to the established process to prevent such delays and ensure smooth clearance.

Discussion and Decision:

Principal Commissioner of Customs clarified that the query is raised only in cases where the ICES 1.5 system restricts issuance of OOC due to a system-generated instruction stating:

"Payment not debited in ECL at ICEGATE… OOC cannot be granted."

In such cases, the Shed Superintendent or Appraising Officer is compelled to raise a query solely to inform the importer of the System alert, and to facilitate prompt resolution so that clearances are done without further delay. Principal Commissioner advised BCBA to submit a representation with similar instances for onward submission to the DG Systems.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)
Action: BCBA

3) Difficulty in Obtaining Personal Hearing (PH) under Faceless Clearance:

The BCBA has raised issue that the trade members are facing considerable challenges in securing Personal Hearings (PH) in cases processed under the Faceless Assessment/Faceless Clearance mechanism. Despite submitting PH requests promptly through the designated online platform, there are frequent delays in approval and scheduling — and in some cases, hearings are not granted at all. This leads to extended assessment timelines, increased dwell time, and adverse financial impact on the trade.

Request/Recommendation:

Streamline the process of granting and scheduling Personal Hearings to ensure timely resolution of disputes.

a) Provide clear Standard Operating Procedures (SOPs) and timelines for PH approvals.
b) Enable a transparent tracking mechanism for PH requests on the ICEGATE/Faceless platform.
c) Consider allowing hybrid (online/offline) PH options to facilitate quicker interaction and decision-making.

They have accordingly submitted a letter dated 29.09.2025 addressed to the Chief Commissioner of Customs, JNCH, Nhava Sheva.

Discussion and Decision:

Principal Commissioner of Customs informed that to address any issue at the time of Assessment, at present, such B/Es are pushed to local PAG by the FAG officers for prompt resolution. The representative of BCBA acknowledged that the importer should not be aware of Faceless Assessment Group (FAG) assessing the Bill of Entry (B/E), and concurred that the current practice of referring such cases to the local Port Assessment Group (PAG) is an acceptable method for resolving issues arising at the FAG level. However, their request for a SOP, as said in letter dated 29.09.2025 will be escalated to NACs for consideration.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)

Action: Import Commissionerate

---

4) Delay in Endorsement of Examination Reports:

The issue raised by BCBA that significant delays have been noted in the endorsement of Customs examination reports for import consignments at the Import Shed. Currently, Shed Examiners make multiple visits—often three to four—instead of completing the examination in a single visit. This practice contributes to delays and increased dwell time. It is therefore requested that appropriate instructions be issued to streamline the process, ensuring that examinations and endorsements are completed within a specified timeframe.

Discussion and Decision:

The representative of BCBA Ms. Chaitaly Mehta informed that the said agenda point was mistyped and the point they tried to make is that they wanted the visits by Examiners to be increased for faster clearance of the consignment. Principal Commissioner of Customs informed that new officers have been posted in Import Shed after recent transfers and postings. Due to non-mapping of the ICETABs and other transitional challenges, in the beginning there were certain issues with Examiners. However, the matter was monitored and resolved in a few days. The representative of

BCBA acknowledged that the issue has been resolved, stating that the Shed officers are now conducting the Examinations as needed, thereby facilitating faster clearance of consignments.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)

---

5) Request for Helpdesk for Delay by FAG Officers

The BCBA has raised concerns that the trade is facing difficulties when Bills of Entry remain pending with FAG officers for over 48 hours. To expedite the resolution of such pendencies, it has been proposed to create a WhatsApp group with the Import Department to facilitate direct communication with FAG officers. Although CBIC has implemented an online grievance registration system for these issues, the trade reports that delays persist despite lodging grievances. It is therefore requested that this mechanism be strengthened to ensure the timely disposal of pending Bills of Entry.

Discussion and Decision:

Principal Commissioner of Customs informed that WhatsApp is not an appropriate platform for raising grievances or their efficient redressal. There are dedicated platforms like Turant Suvidha Kendra (TSK) and AEM Portal for raising a grievance in case of any delay in assessment. Principal Commissioner further added that any grievance received through TSK is forwarded daily to the concerned FAGs for immediate resolution, and the AEM Portal is also monitored on daily basis to ensure timely and efficient resolution of grievances. These two platforms should be more intensively used as they are also being monitored at Board level.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)

---

6) Delay in Bond cancellation:

The BCBA has raised concerns regarding the pending bond cancellations with the TSK Department for consignments of Ship Spares cleared under Customs Notification No. 50/2017, Sr. No. 550. Importers have submitted all required documents as per the prevailing practice, including the Fitment Certificate, Shipping Invoice, and endorsements from the Vessel Chief Engineer, Vessel Master, and Superintendent of Customs.

Despite the complete submission, these bonds remain uncleared for an extended period, causing operational and financial difficulties for the trade. Therefore, it is requested that the department expedite the cancellation of these bonds at the earliest. A few pending cases are listed below:

M/s Seros Shipping Pvt. Ltd.

1. S/44-UT-10941/TSK ONLINE-ACC-2023-24 – Dt. 06.01.2024
2. S/44-UT-11385/TSK ONLINE-ACC-2023-24 – Dt. 02.02.2024

3. S/44-UT-493/TSK ONLINE-ACC-2024-25 – Dt. 26.04.2024
4. S/44-UT-1130/TSK ONLINE-ACC-2024-25 – Dt. 29.05.2024
5. S/44-UT-1963/TSK ONLINE-ACC-2024-25 – Dt. 10.07.2024
6. S/44-UT-10284/TSK ONLINE-ACC-2024-25 – Dt. 01.12.2023
7. S/44-UT-12214/TSK ONLINE-ACC-2023-24 – Dt. 13.03.2024

M/s Hoger Offshore and Marine Pvt. Ltd.

1. S/44-UT-61/TSK ONLINE-ACC-2024-25 – Dt. 13.03.2024

Discussion and Decision:

Principal Commissioner of Customs instructed to close the pending Bonds within one month, in accordance with the Notification. A Public Notice may also be issued for streamlining the process with prospective effect.

ADC(I), Shri Tagadi Manjunath, also informed that this office has initiated a Special Drive under Import Commissionerate to dispose of pending Bonds and has been successfully clearing 40 bonds daily.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)

Action: All concerned Groups especially Gr. 5 & TSK

---

7) Issues in Obtaining Shipping Bill Reprints Post-LEO Due to System Issues and CSC Closure:-

The BCBA has raised an issue regarding export clearance. When a Shipping Bill (SB) is given the Let Export Order (LEO), ICEGATE sends an email notification to the email address provided. However, due to system issues, these emails are sometimes not received by the Customs Broker (CB) or the shipper.

Previously, the Cargo Service Centre (CSC) at the shed was available to provide a reprint of the Shipping Bill with LEO. However, following the discontinuation of this service at the shed, the trade is now unable to obtain a printed copy of the LEO in cases where system errors occur. This printout is often required by exporters to claim various export-related benefits, leading to operational challenges for the trade.

Discussion and Decision:

The Joint Commissioner (Export) Shri N. Pandiyaraj informed that the PDF print may be generated and given to the concerned CB/Exporter. The Commissioner (Export) further directed the Joint Commissioner (Export) to personally oversee the matter and ensure that a dedicated officer is deputed to handle such cases and the issue resolved.

Principal Commissioner of Customs has decided to close this point.

(Point Closed)

Action: Export Commissionerate

The meeting ending after the foregoing discussions. All stakeholders are advised to refer Circular No. 21/2025-Customs dated 12.09.2025 on Strengthening Trade Facilitation through Institutionalised Consultation Mechanism.

This issues with the approval of the Principal Commissioner of Customs, Import, ACC, Mumbai – III.

Circular No. 21/2025-Customs

File No. 520/12/2022-Cus-VI
Government of India
Ministry of Finance
Department of Revenue
Central Board of Indirect Taxes and Customs
(Customs Policy Wing)
****

Room No.229A, North Block, New Delhi
Dated: 12-09-2025

To,

All Principal Chief Commissioners/ Chief Commissioners of Customs/ Customs (Preventive)/ Central Tax and Customs.
All Principal Commissioners/ Commissioners of Customs /Customs (Preventive).
All Principal Director Generals/ Director Generals of Directorates under CBIC.

Subject: Strengthening Trade Facilitation through Institutionalised Consultation Mechanisms – Reg.

The Central Board of Indirect Taxes and Customs (CBIC) has implemented wide-ranging reforms focusing on digitisation, transparency, and trade facilitation. Within this context, Customs Clearance Facilitation Committees (CCFCs) and Permanent Trade Facilitation Committees (PTFCs), established under Circular Nos. 42/2013-Customs and 13/2015-Customs respectively, have played pivotal roles in stakeholder engagement and issue resolution.

2. With evolving trade patterns, increasing reliance on digital processing, and a growing emphasis on measurable service delivery, CBIC has reviewed the composition and functioning of PTFCs and CCFCs. This Master Circular consolidates and supersedes earlier guidelines to realign these committees besides taking measures keeping in view current priorities of consultative decision-making, stakeholders' engagement and grievance redressal, and integration with national trade facilitation objectives.

2.1 It has been decided that PTFCs shall now meet fortnightly, while CCFCs shall meet once in two months. Revised composition and ToRs for PTFC and CCFC are annexed as **Annexures 1 and 2** respectively.

2.2 The composition of PTFCs has been significantly broadened to include representatives from DGFT, custodians, PGAs, shipping lines, logistics service providers, trade councils, and Customs Brokers, besides existing trade participants. Similarly, CCFCs now include, in addition to senior Customs officers, representatives from Ministries of Shipping, Railways, Highways, Civil Aviation, and senior functionaries from PGAs operating under SWIFT. The inclusion of representatives from DG Systems (ICES/ICEGATE), NCTC, and Directorate of Logistics aims to strengthen systemic improvement and inter-agency coordination.

2.3 The Terms of Reference (ToR) of both committees have been revised to further include:

- Ensure timely resolution of grievances and bottlenecks
- Monitor performance of digital grievance tools like TSKs, AEM and ICEGATE helpdesk
- Escalate unresolved issues to NACs

3. Faceless Assessment has brought standardisation and uniformity in Customs processing. To address delays in clearance of live Bills of Entry, a tri-layered grievance redressal mechanism comprising the Anonymised Escalation Mechanism (AEM) [Circular 14/2021 & 23/2022-Customs], Turant Suvidha Kendras (TSKs) [Circular 45/2020], and National Assessment Centres (NACs) [Circulars 13/2023 & 40/2020] has been institutionalised.

3.1 The AEM allows ICEGATE-registered users to raise online grievances after filing the Bill of Entry. These are auto-routed to the concerned Additional/Joint Commissioner in the FAG, with anonymised identities and real-time tracking. Board has further directed DG Systems to revamp AEM mechanism and a suitable advisory will be issued on revamped AEM by DG Systems with suitable MIS to be available with senior Customs management.

3.2 The TSKs, established in each Customs Zone, serve as the physical and operational interface for facilitating Customs processes under Faceless Assessment. They facilitate clearance process of the trade by tracking of local grievances, coordination with assessment groups, and provide support to the trade in any procedural aspects. Officers posted at TSKs must proactively assist the trade in identifying delays and liaising with assessment officers for swift resolution. A consolidated list of all TSK is enclosed as **Annexure-3.** Further in order to ensure efficiency in functioning of TSK, a digital portal is being created to monitor timely resolution of grievances or any procedural requirement of trade.

3.3 All officers are required to constantly monitor AEM tickets and TSK-raised grievances and resolve all such grievances in a time bound manner. All Commissioners are required to closely monitor all such grievances. Further, National Assessment Centres (NACs) are *inter-alia* entrusted to monitor and analyse the grievances that are being raised due to non-uniformity in their respective FAGs. For effective monitoring of functioning of FAGs and redressal of import related grievances relating to Faceless Assessment, NACs have already been asked to have a separate cell and to take proactive measures to minimize grievances and conduct sectoral consultations every fortnightly. NAC convenors through separate cell shall also monitor grievances raised through AEM, TSK or through any other mechanism and coordinate for resolution focusing grievances pending for more than two days. Additionally, NACs shall provide guidance to FAGs to ensure uniformity in assessment practices and recommend systemic improvements based on grievance trends. To enable easy access, consolidated contact details of NACs have been provided at **Annexure-4**.

4. An increasing number of Customs-related grievances are received via social media platforms (e.g. 'X') and official email channels. Each zone shall establish a dedicated mechanism to monitor such grievances. Every grievance shall be acknowledged with a unique reference number and resolved appropriately in a time-bound manner. Frequently raised issues should be included in CCFC agenda for further deliberations.

5. A high level Customs Consultative Group (CCG) also engages with all trade and government stakeholders. The issue raised by trade get opportunity for redressal at multiple forum like PTFC, CCFC, NAC etc. However certain unresolved policy issues and issues having wider pan India implications should be flagged to CCG for comprehensive deliberations and appropriate course correction. All field formations are advised that grievances originating by any stakeholders from local Customs stations or specific ports must be discussed in the appropriate PTFC and CCFC platforms in consultation with relevant PGAs, custodians, and trade bodies and ensure that issues which can be resolved locally in consultation with trade should not be delayed by flagging to CCG.

6. Principal Chief Commissioners and Chief Commissioners are instructed to sensitise stakeholders and committee members, issue necessary Trade/Public Notices to reinforce consultative and grievance redressal mechanism and also inform any change in TSK or NAC.

7. Difficulty, if any, in the implementation of this circular may be brought to the notice of the Board.

8. Hindi version follows.

Yours faithfully,

Digitally signed by
Suresh Kumar Meena

Annexure-1

Composition and Terms of Reference (ToR) for Permanent Trade Facilitation Committee (PTFC)

A. Composition:

The PTFC shall be constituted at each Customs Station. The jurisdictional Pr. Commissioner or Commissioner of Customs, as the case may be, shall chair the meeting accompanied by all senior departmental officers. The Committee, in addition to senior Customs officers, shall include representatives from DGFT, custodians, PGAs, shipping lines, logistics service providers, trade councils, and Customs Brokers, besides existing trade participants.

B. Terms of Reference (ToR):

(i) Ensuring and monitoring expeditious clearance of imported and export goods in accordance with the timeline specified by the parent Ministry/ Department concerned.

(ii) Identifying and removing bottlenecks, if any, for streamlining and easing the Customs clearance process of imported or export goods. Issues/concerns raised by trade/ Importers or Exporters during a month through grievances should also be included in the Agenda items for discussion in PTFC meeting.

(iii) Resolving grievances of importers, exporters represented by trade bodies and industry and flagging the issues having pan India implication or that may not be resolved at local level to jurisdictional Chief Commissioners, as required.

(iv) Establishing Single point of Contact (SPOC) and circulating its details across all agencies for effective coordination and collaboration for faster clearance process.

(v) Reviewing routinely the membership of the PTFC with the aim of including all stakeholders in the Customs functioning.

(vi) Proper implementation and effective monitoring of existing grievance redressal mechanisms (TSKs, AEM or ICEGATE Helpdesk etc) and to escalate unresolved issues to NACs.

(vii) Uploading a list of all TSKs, along with contact officer's E-mail IDs on the commissionerate's official website and publicising the same through Public Notices.

Annexure-2

Composition and Terms of Reference (ToR) for Customs Clearance Facilitation Committee (CCFC)

A. Composition:

1. The CCFC shall be constituted at each Customs Station, seaport and airport. The CCFC shall be headed by the (Pr.) Chief Commissioner of Customs at the Zonal Level. The membership of CCFC would include all the jurisdictional Pr. Commissioners/ Commissioners and the senior most functionaries of the following departments/agencies/stakeholders that are involved in the Customs clearance process at a particular Customs station/seaport/airport:

(i) Food Safety Standards Authority of India (FSSAI)/Port Health Officer (PHO)

(ii) Plant Quarantine Authorities

(iii) Animal Quarantine Authorities

(iv) Drug Controller of India (CDSO)

(v) Textile Committee

(vi) Wild Life Authorities

(vii) Pollution Control Board

(viii) Directorate General of Foreign Trade

(ix) The Custodians appointed under HCCAR, 2009 including Port Trusts/ Airport Authority of India/ Railways/ Inland Waterways Authority of India/ LPAI etc.

(x) Ministries/ Departments dealing with infrastructure and logistics like Ministry of Shipping, Ministry of Civil Aviation, Ministry of Railways, Ministry of Roadways and Highways.

(xi) Central Revenue Control Laboratory

(xii) Any other Department/ Agency/ Stakeholder to be co-opted on need basis.

(xiii) Any other PGAs operating under SWIFT.

(xiv) Representatives / Nodal Officers from DG Systems (ICEGATE & ICES), Directorate of Logistics, National Customs Targeting Centre (NCTC).

2. The apex trade bodies along with their constituents, who are members of PTFC, may also attend the CCFC meeting.

B. Terms of Reference (ToR):

(i) Ensuring and monitoring expeditious clearance of imported and export goods in accordance with the timeline specified by the parent Ministry/Department concerned.

(ii) Identifying and resolving bottlenecks, if any, for streamlining and easing the Customs clearance process of imported or export goods.

(iii) Conducting Time Release Studies for improvement in the clearance time of imported and export goods.

(iv) Having internal consultations to speed up the clearance process of imported and export goods and recommending best practices thereto for policy consideration of CBIC and concerned Ministries/ Departments/ Agencies.

(v) Resolving grievances of importers, exporters and members of trade and industry in regard to clearance process of imported and export goods. Flagging the unresolved issues or issues having policy implications to the NACs or the Board, as the case may be.

(vi) Ensuring and monitoring effective implementation of action points and agenda of National Trade Facilitation Action Plan (NTFAP).

(vii) Conducting a study through a working group at Zonal level focusing on issues like facilitation measures, innovation and technology, capacity building, gender participation etc and sharing the corrective measures/suggestions derived from the study with the Board to enhance EoDB.

(viii) Proper monitoring and effective implementation of existing grievance redressal mechanisms (TSKs, AEM or ICEGATE Helpdesk etc).

(ix) Outreach to trade regarding new trade facilitative EoDB measures.
