Also 121 printers of various makes viz :- (1). HP, (2). CANON, (3). SAMSUNG & (4). one EPSON network printer to be covered under AMC.

06. **ELIGIBILITY CRITERIA FOR TECHNICAL BIDS:-**

(a) The bidder should furnish and provide Income Tax Assessment Certificates for the three years :- 2014-2015, 2015-2016, 2016-2017;

(b) The bidder should not have been disqualified /debarred by any Government Office/Semi-Government Office/PSU/Bank for any default for such services in the past; An undertaking on his letter head declaring as follows should be given :

"we have not been disqualified/debarred by an Government office/Semi-Government Office/PSUs/Banks for any default for such services in the past."

(c) The bidder intending to submit the tender shall be a reputed organization in the field of Hardware & Software maintenance and having experience in this field for more than two years. Experience in Central Government department/Semi-Government department/PSUs/Banks will be preferred along with the experience in UNIX/Linux based system having AMC.

(d) The bidder should have currently looking AMC in any Central Govt/State Government/PSUs/Banks in Mumbai for maintenance of Desktop Computers, its peripheral and other hardware for their consideration of the same for AMC.

(e) The bidder should be having work orders for similar kind of work of around 300 Desktop computers and 300 printers;

(f)The bidder must have Permanent Account Number (PAN) under Income Tax Act 1961;

(g)The bidder should also be registered with Service Tax Department..

(h)The bidder should have valid ISO Certificate.

07. **TERMS AND CONDITIONS TO THE ANNUAL MAINTENANCE CONTRACT OF PERSONNEL COMPUTERS / PRINTERS AND INSTALLATION OF VALID ANTI-VIRUS SOFTWARE:-**

(i) The contractor shall not sub contract/outsource the maintenance jobs to any other agency. In the case of firms who do not have their registered office in Mumbai, they should have at least an operational office in Mumbai. The contact address and the working strength of the office should also be indicated. Only those contractors having experience of handling the Annual Maintenance Contract (AMC) for at least 300 computers/pheripherals for the past 02 years may only submit their e-tender.

(ii) Maintenance service shall consists of preventive and corrective maintenance of 169 desktop computers (CPU, Monitors & accessories) and 121 printers, computer system hardware including peripherals and installation of latest valid antivirus and also maintenance of LAN network wherever it exists. Also latest valid antivirus software is to be installed in 32 desktop computers which are under warranty period.

(iii) At least two Resident Engineers should be deputed in the Air Cargo Complex for ensuring that all the computer system are in smooth working condition.

(iv) Antivirus software should be compatible with the operating systems which are presently in use in the computers. Software solutions should be from reputed vendors.

(v) Maintenance services shall be provided during normal working hours of the Air Cargo Complex, Sahar, Andheri (E), Mumbai :- 400 099, from 09.30 hrs to 18.00 hrs.

(vi) In exceptional cases services of Engineers may be required on Sunday/Holiday as and when required and directed in advance.

(vii) If the services are not found to be satisfactory during Annual Maintenance Contract (AMC) tenure, the contract can be terminated by giving one month's notice to the service provider/contractor.

(viii) The AMC service provider/contractor firm shall attend the complaints immediately to rectify the computer system and machines and make them in working condition.

(x) Payment of the AMC will be made on quarterly basis after completion of the quarter.

(x) Machine down time should not be more than 10 working hours from the time of report of fault. This would include attached peripherals also.

(xi) In case of hard disc failure, it would be the responsibility of the vendor to retrieve the data to whatever extent possible at his own cost and no extra charge will be paid to the contractor.

(xii) Response time of a call should be within 02 hours and in case of any failure to respond within the stipulated time, a penalty shall be imposed which will be deducted from the quarterly payment of the service provider. However, the penalty clause will not be applicable if a standby system/computer peripheral is provided by the service provider. In case of failure on the part of bidder to put the system Computer/Printer/Router/etc.) in working condition, a penalty of Rs. 500/- per day shall be imposed which will be deducted from the quarterly payment of the A.M.C. to the bidder.

(xiii) In the eventuality of the AMC service provider not being in a position to rectify the fault within 10 working hours for equipment, standby machine of acceptable similar configuration shall be provided by the contractor. On failure to provide standby machine, a penalty of 0.5% per day machine of the contract value will be levied. Delay beyond 03 days in rectifying the reported problem will entitle this office to exercise the option of getting the work done from another agency and recover the cost incurred. In addition to penalty from the contractor, delay beyond 20 days may lead to cancellation of contract by this office.

(xiv) All complaints/problems reported should be rectified to the user's satisfaction by the contractor before the end of next working day from the time of booking of the complaint.

(xv) However, if the contractor provides a standby system of similar configuration and quality acceptable to this office on returnable basis, the penalty for the downtime shall be calculated only till the date of providing such system/subsystem to this office.

(xvi) Spare parts supplied by the contractor in lieu of irreparable components should be brand new/original and of reputed manufacturer, for giving satisfactory performance. Used/repaired spare parts will not be accepted.

(xvii) If system/sub-systems are required to be taken out of office for repairing then standby system/subsystem of similar configuration and quality acceptable to this office should be provided on returnable basis. Contractor will be responsible for transportation and delivery of the system./sub-system. Such hardware under repair should be returned repaired to the satisfaction of the user/CHS Section within a period of maximum fifteen days.

(xviii) Contractor firm should have proper complaint call registration procedure, follow up etc and provide traceability of all complaints from registration to call clearance. Contractor firm shall issue a customer service slip after every service visit, clearly indicating the time of call by the user department, time of attendance of the fault by the AMC holder, nature of fault observed and whether cleared or not, if under further observation, then whether normal usage can be continued and details of subsequent visit after 2 days of observation, closure of call clearance of fault and any other relevant information.

(xix) On the last day of the contract, the AMC contractor should ensure that all the computer machines and other accessories are working in satisfactory condition without any problem. This will be reported and got checked by the AMC contractor through the authorized officer of this office. The last quarter payment will be released only on getting satisfactory report. In case of any trouble, the AMC contractor will ensure to rectify the trouble along with providing standby machine without any extra charge even if the period of the AMC lapses.

(xx) **The amount quoted in the AMC by the contractor should be inclusive of Service Tax and all other applicable taxes.**

(xxi) The number of Computers including peripherals under AMC mentioned above can be increased or decreased. The AMC contractor shall have to maintain the new computer systems, its peripheral, installation of antivirus software at the same quoted price and no extra cost for the newly added computer system will paid by the department during the contract period.

(xxii) The bills of AMC will have to be submitted in triplicate, duly pre-receipted alongwith service cards or month wise MIS reports maintained by the contractor. The service cards are to be signed by the user of the PC's .

(xxiii) In case bidder desires to inspect the computers and its peripherals prior to submission of tender, he may inspect the same from 1100hrs to 1600 hrs on all working days (expect Saturday/Sunday/public holidays) after taking permission from Deputy Commissioner of Customs /CHS . For any details the bidder can contact Superintendent of Customs/CHS, Air Cargo Complex, Sahar, Andheri(E), Mumbai:-400 099 on Office Telephone No. 022-26816604/03.

(xxiv) The contractor will physically inspect all the hardware to be covered under AMC and submit detailed hardware configuration report of each equipment before taking charge and commencement of AMC. The outgoing contractor shall hand over complete stock of hardware in good condition and shall have to replace all the parts that have not been properly maintained, which any other party undertaking to do the maintenance thereafter would insist on replacement before they can take over the machines for AMC. For this purpose a detailed list of equipment or part to be replaced may be given by the outgoing contractor and duly approved by CHS section.

(xxv) Service as per the AMC to be provided by the Service Provider:-

(1) Scheduled Preventive Maintenance (PM) at least once in three months as follows:-

(a) Cleaning of the computers and all peripherals;

(b) Cleaning of all the electrical contracts (associated with computers)

(c) Checking of all D.C. Voltages (associated with computers)

(d) Oiling & greasing of mechanical parts if necessary;

(e) Cleaning & alignment of Floppy/CD drive head.

(2) Unscheduled, on call corrective & remedial maintenance services to set right malfunctions of the system. This includes replacement of unserviceable parts/peripherals. The parts replaced will either be new parts or equivalent in performance to new parts. Whether a defective item or component is to be replaced or repaired shall be at the sole discretion of the service provider/contractor firm.

(xxvi) Monthly Preventive Maintenance(PM) shall also be carried out in addition to attending the specific complaints. A comprehensive report to this effect would be submitted by the contractor to CHS section at regular intervals. This in effect shall also be entered in the log book to be maintained for each computer. Monthly schedule for PM may be decided in consultation with the CHS section.

(xxvii) The selected contractor shall not sub-contract the whole or part of the works without prior consent of the department. Such consent, if given , shall not absolve the contractor from any liability or obligation under the contract.

(xxviii) The personnel of the selected contractor shall abide with all the security regulations at Air Cargo Complex, Sahar, Mumbai.

(xxix) With regard to AMC of printers it is highly emphasized that being comprehensive in nature printers-heads will either repaired or replaced by the vendor itself at his own cost.

(xxx) This office does not bind itself to accept the lowest tender and reserves the right to reject any or all the tenders in which any of the criteria is not fulfilled, without assigning any reason whatsoever. Tenders in which any of the particulars and prescribed information are inadequate or incomplete in any respect or the prescribed conditions are not fulfilled , are liable to be rejected.

(xxxi) The work order shall be issued to Successful bidder only after verification of the original documents.
