FRESH AGENDA POINTS:

Points raised by BCBA:

1) **Revised Standing Order**

We refer to Standing Order No 11/2020 dated 27.2.2020 for issuance of manual OOC, in the cases where message exchange is not happening with AQ.

We request that provisions of this PN be extended to other PGA's also since there are frequent message exchanges issues faced with other PGA by trade which results in delay in clearance.

Additional Commissioner (Import) informed that the above said standing order corresponds to a particular period when message exchange was not happening with AQ and giving such permissions to other PGAs will not be feasible on continuous basis. Commissioner (Import) stated that the issues when message exchange is not happening with PGAs due to system breakdown, this office has given permission of manual OOC in past also, however, this exercise can't be made on continuous basis but only on need basis from time to time.

(Point Closed)

2) **KIOSK (Touch Screens) at ACC are not functioning**

We request you to get all the KIOSK Touch screen at ACC Mumbai functional. Also few more KIOSK to be installed which are pending to installed.

Commissioner (Export) stated that out of the 4 KIOSK present at ACC only one is working, however the other 3 are not working due to the non-availability of EDI connectivity, though as a system there is no problem in them. He further suggested that 2 more KIOSK may be made available by 31.03.2021 if need arises. However the priority is to make these 3 KIOSK operational. Commissioner (Import) directed Additional Commissioner, EDI to appoint an officer for this task as it is the very basic necessity for the stakeholders and keeping it unattended will create a lot of problems in future.

(Point Open)

3) Request to re-locate and start TSK operations at New Counter at the appraising group

We request that TSK counter should be fully operational inside the ACC premises.

BCBA stated that since the creation of TSK a lot of work has been shifted to this section and the previous Commissioner (G) has identified a place in Appraising Hall for TSK, however only one officer has shifted to this place. It is therefore requested by BCBA to shift the complete staff of TSK

there as it will easier for both the officers and stakeholders to work from there.
Commissioner (Export/General) suggested to Commissioner (Import) that they both will visit the designated place in Appraising Hall and take a call on this.

Since past 2 weeks, intermittently exports are suffering considerably due to breakdown in CARR messages between Custodian and Customs regularly. In the said regards, we suggest the following

a) In depth study be carried to resolve the issue of CARR message either with Custodian or Customs.
b) In event of the breakdown, backup mechanism be kindly worked out to process export consignments.
c) Custodians should provide waiver of demurrage charges suo-motto whenever there is breakdown.

Commissioner (Export) stated that as suggested above, Customs will make SOPs regarding the above said issue in consultation with all other stakeholders if the issue persists again and again and the same will be resolved.
