At the outset, Commissioner of Customs (Export) welcomed the members of Trade, Customs Brokers, Airlines Representatives, Custodian Representatives, and other stake holders present in the meeting. Following agenda points were taken up:

AGENDA POINTS FROM PREVIOUS MEETING :

1. **Refund of Double Duty payment due to EDI system error.**

Trade representatives informed that there are several instances of double duty payment happening due to EDI system error. They have requested to issue Public Notice / Instruction for stipulating the time frame for sanction of double duty refund.

Chairman has informed that this issue will be taken up with Delhi PAO office to resolve it at earliest.

(Customs Import)

2. **Unable to upload document in E-Sanchit while replying to query.**

Trade Representatives have raised an issue that while replying to query on-line, they are not able to upload the supporting documents e.g catalog in E-Sanchit. They have requested to initiate a facility to upload the documents while reply to the query online.

Chairman has informed that presently there is limited capacity for uploading documents in E-Sanchit and in view of upcoming Faceless Assessment ,capacity in E-Sanchit for uploading documents may be increased by DG System and the issue may get resolved.

(Customs Import)

3. **Problems faced during Exports of Pharma products –**

Trade representatives informed that Export examining staff asks for the list of Port codes/ product list of Pharma Products. Presently there are 170 port codes for Pharma products.Trade has requested that the port code has to be generated in system so that there is no need to show product list at the time of examination.

Chairman suggested to give representation on the issue by the concern Pharma Industry/Pharma council, so that matter can be taken up with DG(System) for including particular port Codes.

(Trade)

4. **On account of E-sanchit in Export/Import, there should be waiver of DMS charges–**

Chairman informed that all the three Commissioners will discuss it and will take collective decision.

NEW AGENDA POINTS FOR DISCUSSION –

Point raised by Commissioner (General) –

Joint Commissioner (General) has informed that TRS 2020 which is first TRS Study being conducted by ACC, Mumbai Customs Zone III, is scheduled during 01-07 January, 2020. The Bills of Entry and Shipping Bills filed during this period will be tracked till 7th February 2020 in respect of various criteria. All the Stake Holders were requested to assist for making TRS 2020 a grand success.

Points raised by BCBA –

1) **Non working of Touch Screen KIOSK**

Non working of Touch Screen Kiosk at ACC Mumbai, leading to tremendous difficulty at grass root level. Trade has suggested that work relating to touch screen should be carried out on war footing to make them operational.

Chairman informed that Kiosk Touch screen machines are in working condition, however difficulty faced by trade is due to system issue i.e linkage between ICES and Kiosk. Matter will be taken up with DG(system) on priority.

(Customs General)

2) **Monitoring of pendency and queries in Assessment Group -**

There has been regular pendency in assessment of BEs in Group II and Group V at ACC Mumbai. This is contributing to increase in dwell time, delay in clearance and payment of demurrage charges. With a view to ensure reduction in dwell time, trade has suggested that the pendency of BE in Assessment and Queries being raised be kindly monitored to achieve the endeavor of timely clearances. Further, they have also suggested that, query should not be raised for documents which are uploaded in E-sanchit.

Addl. Commissioner (Import) informed that it is ascertained in some cases catalogues are too bulky and won't get open if uploaded in E-sanchit. In such cases, officers raise query for submitting hard copy of bulky documents. However, Chairman assured that the concerned assessing officers will be sensitized about the issue.

(Issue closed)

3) **Problem of message exchange between Customs and Custodian**

Due to problem of message exchange between Customs and Custodian, there is delay in processing of export Shipments. There is urgent need to rectify the system to ensure CARR messages are carried out timely.

Chairman informed that DG(System) representative will be invited to ACC soon for resolving all system related issues .

(Issue closed)

4) **Considerable increase in cases of damage to import cargo at ACC Mumbai**

Trade has informed that instances of damage to import cargo have increased considerably. Trade has requested to both the Custodian i.e. MIAL and Air India to ensure that cases of damage should be minimized, right from landing of cargo till final delivery. It is often observed that damage takes place in following manner:

a) After landing of cargo till receiving of cargo in the Shed
b) Damage after receiving of cargo till loading of the truck.

They have submitted that Trade and Industry brings the cargo through Air by paying huge freight cost due to urgency. Any damage to import cargo results in delay and huge cost to the trade and industry. Hence proper care needs to be taken to avoid such cases of damage.

MIAL informed that in many cases, packages were received by them in damaged conditions from Airlines itself as the loading /handling of packages done by unprofessional way by Airline staff. They will have meeting with all Airlines alongwith Customs representative on this issue.

(Issue closed)

5) **Approach road to Air Cargo Complex**

The Approach road to Air Cargo Complex has become very congested due to barricades. Trade requested that smooth flow and to avoid congestion, steps be taken on urgent basis for overall safety and security.

MIAL informed that Barricades were installed to avoid parking of unauthorized vehicles. Still MIAL is working on it to get wider and smooth road.

Points raised by ACCAI –

1. **Problem of uploading of export documents in case of Re-import** –

Trade has informed that in case of re-import, they are unable to upload export documents like shipping bill, invoice, Packing list etc. They have to produce these documents manually to the AO. They have requested that this facility be available in E-Sanchit.

This issue has been discussed earlier and it will be taken up with DG(System).

(Customs –Import)

2. **First time registration of the AD code and IFSC in case of Exports at each Port**

In case of first time exporter, even though first time registration is not required if the exporter has done his exports through any of one of the zones but, Trade still have to do first time registration of the AD code and IFSC, in each port, even though the AD code is the same. They have requested that this code should also be shared by ICEGATE with all ports.

Chairman informed that this issue will be taken up with DG(System) when they visit at ACC.

(Issue closed)

3. **Non-availability of Animal quarantine staff –**

Trade representatives informed that Animal quarantine officer visit ACC only for three days in second half of the day which leads to delay in getting relevant NOC.

Chairman informed that the issue will be taken up with Animal quarantine Dept.
