Sir,

Sub: Demand Survey for requirement of various types of quarters at Custom Enclave Plot, Wadala (E), Mumbai– reg.

This is to inform that Construction of Office Complex and Residential Quarters at the Customs Enclave Plot, Wadala (East) is expected to commence shortly. We propose to construct flats (residential quarters) of all types and thus project will be ready in 4 to 5 years. With the eastern freeway, the project site is only 15 to 20 minutes away from Ballard Estate, Mumbai. This Office has to submit the proposal to DGHRD in respect of willingness for various types of quarters required at Custom Enclave Plot at Wadala (E), Mumbai on the basis of a fresh demand survey as the survey conducted earlier was in the year 2015. As per the guidelines/instructions laid down in the Infrastructure Manual, the demand survey carried out earlier may not reflect the actual requirements of residential accommodation. It is felt imperative to arrive at the actual requirements of various types of quarter from all the formations under CBEC located in Mumbai.

It is therefore, requested that the willingness from the staff actually interested to avail the residential facilities at Wadala posted under your control may kindly be communicated to this office in **the enclosed format on or before 06.02.2017**. The original signatures of the staff that are willing to accept the government accommodation is required to be sent to this office for onward submission to the Office of DGHRD-New Delhi. Following officers can be contacted at 022-22757857 or at their Mobile Nos as detailed below if required:-

i) Shri D. R. Verma, Superintendent, Mob. No. 9769362688
ii) Shri Deepak S. Gaikwad, Superintendent, Mob. No. 9029025807
