STANDING ORDER, NO:01/2024

Subject: - Response timelines for redressal / transfer to appropriate authority within 24 hours for handling public grievances / queries etc. Reg

Centralised Public Graveness redressed and Monitoring System (CPRGAM) is an online platform available to the citizen 24X7 to lodge their grievances to the public authority on any subject related to service delivery by any public authority. It is a single portal connected to all the Ministries/Department of Government of India and States. The Department of Administrative Reforms and Public Grievances has undertaken a comprehensive reform of the CPGRAMS and has made it more responsive to the needs of the citizens.

To achieve the objectives of the CPGRAMS and to satisfactorily resolve the grievances of the citizens, this office needs to review, streamline and strengthen their internal resolution mechanisms. To make the system effective, the following decisions have been taken:

a) The grievances received on CPGRAMS shall be transferred to the relevant office **within 24 working hours** if the same does not pertain to this office.

b) In case the CPGRAMS pertains to any of the Sections/Branches of this office, the CPGRAMS section will inform the concerned Section /Branch about the grievance **within 24 working hours** of receipt so that the public grievances/queries may be addressed on time.

c) The appropriate Section/Branch will address the grievance **within three working days** and report the outcome to the CPGRAMS Section for uploading the reply in the portal.

d) To meet the timeline, it is directed that the redressal report of the grievances so received shall be sent to the CPGRAMS Section with the approval of the Commissioner.

e) The CPGRAMS section will upload the reply on the portal **within 24 hours** of receipt of the report from the concerned Section/Branch.
